Annual Meeting Notice

You are hereby notified the Annual Meeting of the Augur Lake Property Owners Association (ALPOA) is scheduled for Saturday, July 11, 2009, at 9 a.m. The meeting shall be held at the Town of Chesterfield Town Hall Keeseville, NY 12944.

The purpose of this meeting is to: elect the association officers for 2009/10; receive the annual report of the officers, directors, committees and the treasurer; consider amendments to the association's bylaws; and conduct such other business as directed by the ALPOA Board of Directors.

Dues of $100 shall be paid in full for the July 1, 2009 to June 30, 2010 fiscal year either before or during the July 11, 2009 annual meeting in order for a member to be considered a member in good standing for voting and other purposes. A dues transmittal form is enclosed should you wish to mail your dues to the ALPOA Treasurer.

Members in good standing shall be entitled to vote at any Association meetings either in person or by properly executed proxy, which is contained in this meeting notice. An absent member may select any member in good standing to vote his or her proxy, provided the proxy form is delivered to the Secretary prior to the call of the voting.

Members jointly owning property must designate one person to cast the vote. Members owning more than one parcel have only one vote.

ALPOA remains committed to protecting and preserving the waters of Augur Lake. At the annual meeting we will be discussing our continued efforts in addressing the dam issues along with carp restocking program.

Aquatic plant growth control district

The Town of Chesterfield town board approved the ballot to be used to obtain a vote from Augur Lake property owners on the establishment of the Aquatic Plant Control District. This ballot has been mailed out with a return date of July 1, 2009. Please be on the lookout for this ballot in the mail.

As the town receives the envelopes, they will check off who has sent their ballot back. The ballots are then placed in a large envelope so that when they are counted in July there are no names on them, just like an election. This way, know one will know how people voted

The Augur Lake Property Owners Association strongly supports the establishment of this district and encourages all lake owners to vote YES!

The results of the vote on the district will be discussed at the annual meeting.
